Sir:

The owner, ExxonMobil Oil Corporation, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term of any of prior Patent Nos. 6,368,496 and 6,500,996, the term being defined in 35 USC 154 to 156 and 173, as shortened by any terminal disclaimer. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and said prior Patent Nos. 6,368,496 and 6,500,996, are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 USC 154 to 156 and 173 of prior granted Patent Nos. 6,368,496 and 6,500,996, as shortened by any terminal disclaimer, in the event that any such granted patent: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

A terminal disclaimer fee under 37 CFR 1.20(d) is included herewith. An additional copy of this disclaimer is attached.

The undersigned is an attorney of record.
